# HAPPY, HEALTHY AND ACTIVE SCHOOLS

# WHY WE'RE HERE

The YMCA provides fantastic recreation options for kids and youth throughout the year. We know it can be a challenge to ensure your kids stay fit, healthy and active all year round. The YMCA is here to help by getting your kids active with a range of sporting activities for children of different ages, genders and skill levels.

Our programme operates from Te Rauparaha Arena and Cannons Creek Park with different sports on offer each term.

For more details find us online at [www.ymcawellington.org.nz](http://www.ymcawellington.org.nz)

# TERM 2

Kia Ora, Talofa and a warm welcome to you all.

Once again the YMCA will be running the Porirua Junior Sports Leagues in partnership with the Porirua City Council and the team at Te Rauparaha Arena.

I would also like to acknowledge the contribution from our funding partners in 2017 – Pelorus Trust, Trust House Charitable Trust and New Zealand Community Trust. Their support means we can keep participation costs as low as possible.

In this brochure, you will find details of the sports running Term Two with costs, rules and deadlines. Please note that if Te Rauparaha Arena get large bookings during the year we may need to change times or days. We will endeavor to give you as much notice as possible and adjust registration fees should changes occur.

Spaces are limited in terms of team numbers across all sports and we would like to see as many schools participating as possible, however, a degree of first come first served will need to apply.

We do value the feedback we have received and we hope some of the changes to be implemented in 2018 allow for an even more successful year of junior sport.

# UNILOC

## OVERVIEW

Unihoc is a combination of field hockey and ice hockey played in a gymnasium with the game modified to suit all skill levels and ages.

All teams are mixed gender.

Teams cannot be more than five minutes late to their game. If a team is not ready to play by that time they will be automatically defaulted

## UNILOC RULES

1. Games consist of two 10 minute halves and a 1 minute half time break.
2. There can only be five players (including the goalie) on the court.
3. Players can be substituted at any time. The fresh player may enter the game once the substituted player has left the court.
4. Players must have both hands on the stick when involved in play and hands should be approx. 30cm apart. This is to prevent a 'golf swing' action and reduces the likelihood of the stick going above knee level.
5. Players are not allowed to raise their sticks above knee level at any time. The goalie can lift the stick to the height of the crossbar.
6. Players are allowed to play the ball against the wall or boundaries of the court
7. Players are allowed a limited amount of contact when contesting the ball. However, they cannot use the unihoc stick to trip up or harm another player nor intend to injure a player in any other way.
8. Players may only pass the ball to each other using the unihoc stick. Using any other part of the body will result in a penalty.
9. The goal area is restricted to the goalkeepers only. If a defender enters the box then it will be an indirect free shot to opposition 1 metre from goal box. If an attacker enters the box then the ball is given to the goalie to start play again.
10. The goalie must remain on their feet and must not leave the goalie area (unless being substituted). If the goalie leaves the goal box, it may incur a penalty shot.
11. Penalties can be given for breaking rules. For continuous infringement a player can be asked to leave the court for 30 seconds or until the end of a half/game if it is deemed dangerous play.

## REGISTRATION INFO

When registering your teams ensure that you have selected your own team name (e.g. The Porirua Blazers). This makes it easier when constructing the draw for the competition.

Schools will be invoiced for the total cost of registering the team two weeks into the competition.

In interest of fairness please ensure all players only play for their own team.

Please check your school calendar for term events, e.g. Dance Splash, Camps & Productions as once the draw is set we will not make changes and your team would have to default games if necessary.

A penalty fee may apply if you withdraw a team after the first weeks draw because as you can appreciate it takes a lot of work to re-arrange the draw when a team pulls out.

All information, rules, draws and updated points tables will be available at [www.ymcawellington.org.nz](http://www.ymcawellington.org.nz)

Please email completed registration forms to [fiona@ymcawellington.org.nz](mailto:fiona@ymcawellington.org.nz)
