

## WHAT TO BRING TO Y-CAMP

What should I bring? Packing carefully for camp is important. It is really important that campers bring at least two towels. Bringing a day pack to throw sunscreen, sun hat and water bottle in is a great idea. Raincoats need to be waterproof (not a nylon ski jacket or wind breaker). If you have gumboots, they are great around the paddocks and in the bush. Any shoes and clothes that come to camp are likely to get dirty, so old clothes are best for camp, as well as clothes that keep campers warm even when wet (for instance when kayaking or canoeing). Polar fleece or wool make great outer layers, and polypropylene long-johns and undershirts are great for underneath. If your camper is packing his/her own bags, please check to make sure they have the most important items.

Items to leave at home:

Jewellery, lollies and snack foods, pocket knives, mp3 players, ipods, mobile phones etc.

If you do bring any of these items you will need to hand these in at sign in and they will be kept in a secure place and handed back to you when you are signed out of camp. We are a sun smart camp, so please leave singlet tops at home.
