

Many of our participants in our various programmes choose to use internet banking as a form of payment for their children. If this is you, there are a few things you should know. Take your time to have a look through the information below so that we can make sure your payment is received and processed correctly.

Step 1

The account your funds should be transferred into is (for all Kids Programmes)

Kiwi Bank 38-9019-0280883-01

Step 2

When making your payment through internet banking please ensure you use the following format on the ***Payees statement section:***

Reference: Enter your YMCA Account ID (it is a 7-digit number and can be found by logging onto your online account, please contact us if you cannot find this number)
