

Kaitoke Outdoor Education Centre Holiday Camps

YMCA has a voluntary tiered pricing system for our School Holiday Camp Programmes. This allows families to choose the price that works best for them. Naming your price requires no paperwork and in no way influences the experience your child will receive at camp. You can also elect to pay an additional amount by choosing a tier, then adding in an optional extra donation.

How do I select my price?

Simply choose the rate that is appropriate for your family. We also have an add-on option if you can afford a little more but the tiers do not fit.

How are the rates subsidised?

We are able to offer subsidised rates through generous contributions from donors, alumni, staff, friends, and through the support of YMCA Greater Wellington.

What if my family needs more assistance? - Talk To Us!

Using Tiered pricing will allow us to keep rates affordable for a wider range of family budgets, while also taking care of camp facilities.

Thanks to Tiered Pricing YMCA can:

- Improve Facilities
- Support Family Camp
- Upgrade cabins
- Upgrade equipment such as kayaks

TIER A - \$485 FULL COST

Tier A reflects the actual amount spent per camper. Tier A covers the actual costs of camp including activity, site and facility upkeep and improvements

TIER B - \$410 PARTIALLY SUBSIDISED

Tier B is a partially subsidised Camp Cost - helps cover the basic cost of your child's camp experience, such as staff wages food and activity costs

TIER C - \$375 SUBSIDISED COST

Camp fees are subsidized by generous donations from our key community partners. We are able to offer Tier C fees due to the generous support of our community partners who love supporting camp to ensure it is accessible for as many families as possible
