

Family Camp

A fully funded unforgettable experience brought to you by YMCA Wellington

Ever get that thirst for adventure that makes you want pick up your backpack and camping gear, grab your family and have a weekend in the wilderness away from it all? For some families this can be just another weekend, for others, restraints and ties make this a little more difficult

At YMCA Wellington we recognised that for some, it's not as easy as packing up and going away for a weekend. Various reasons can keep us away from the natural beauty of

Aotearoa and more importantly, time spent making memories that last a lifetime with our families.

YMCA Wellington would like to eliminate all barriers and present you with a unique, fully funded opportunity. We provide the space for your family to have a weekend purely dedicated to treasured time together in the great outdoors, with the comforts of cabin based camping.

Where is Family Camp?

Selected Families from all walks of life and backgrounds are treated to a weekend of cabin based camping at Kaitoke Outdoor Education Centre, located at the base of the Tararua Ranges, North Wellington.

What do we do at Family Camp?

Since Family Camp is designed to cater to people from all walks of life, activities are determined completely by the abilities of our campers. Families could find themselves drenched on the mudslide, racing down the flying fox, marveling over the nightline, testing their limits on the climbing wall, toasting marshmallows on a crackling fire while listening out for moreporks and much more.

NEXT CAMP April 5-6-7 2019

APPLY NOW

Who can come to Family Camp?

Places for Family Camp are limited; We urge any family to apply that would gain benefit from this opportunity, but ideally, we are looking for families that would otherwise not have access to such experiences. We define family as a group of people who are living together. This could mean that a family is a mum and three kids or; dad, step mum, granddad and four kids. The makeup of a family is endless.

How much is Family Camp?

Family Camp is a fully funded programme with no added costs for participants. The costs are covered through fundraising efforts in the local community.
