

# PORIRUA JUNIOR SPORTS LEAGUES 2019

Term 1 Information - Indoor Soccer

Te Rauparaha Arena will again be the venue for Term 1 Indoor Soccer.

The games run in a 25 minute block with the first game starting at 3.40pm and the last game finishing at 6.00pm for 7 weeks which includes a finals round. Each team can have a maximum of 10 players with 5 players on the court at one time.

In the stadium it is required that everyone (including coaches and spectators) wear non marking, soft-soled shoes in order to protect the wooden floors. Anyone not wearing these will not be able to enter. On the second floor of Te Rauparaha Arena is seating for all spectators which gives a full view of the whole stadium. We ask that all spectators utilise this and we only have players and coaches around the courts so people do not disrupt game play. **Please note there are no games on the 19th, 25th and 26th March.**

## Referees & Fair Play

Please be aware all our referees are young people themselves and will be doing their best to enforce the rules in the best way they know how. They will not always get the decisions right. Our junior sports programme is an opportunity to give kids ago and have fun playing with their mates. We encourage all teachers, managers and parents to make sure they understand this.

1. Games will consist of two 10 minute halves, with a 1 minute half time break.
2. There can be only 5 players (including the goalie) on the court.
3. Players can be substituted at any time. The fresh player may enter the game once the substituted player has left the court.
4. Players are allowed to play the ball against the wall or boundaries of the court as there are no outs.
5. For safety reasons the ball cannot go higher than the referee's waist level. The only exceptions are:
  - If it is a shot it can go to crossbar height.
  - If the ball is accidentally deflected.
6. When a free kick is taken, defenders must be 2 metres away.
7. It would be preferred if goal keepers wear a different coloured top to identify them in their team.
8. The goal area is restricted to goalkeepers only; anyone who enters it apart from the goalie will have a free kick against them.
  - If it is a defender entering their box then it will be an indirect free kick to opposition one metre from the goal box.
  - If it is an attacker entering the box then the ball is given to goalie to start play again.
  - Goal keepers cannot leave the goal box except when being substituted.
9. Players cannot kick, hold, hit or slide tackle opposition as this will be considered a foul and the opposition will get a free kick. A limited amount of contact is acceptable.
10. Players cannot tackle from behind; it must be from the side or the front.
11. Penalties can be given for breaking rules at the referee's discretion. For continuous infringement a player can be asked to leave the court for 30 seconds or until the end of a half game if it is deemed dangerous play.
