Keep your kids active with our Kids programmes

Welcome to Children’s Services at the Y. Our programmes are designed to meet the needs of children in their out of school hours.

We provide a fun, safe and stimulating environment for your child to relax before & after school and during the school holidays.

Bookings are essential for our programmes, which offer a variety of activities including child-centred play options, structured activities and active play.

Our philosophy

The Y is a values based organisation. Our values are honesty, responsibility, respect and caring. These values drive our programme content, how we manage behaviour, and the way that we interact with participants, their whanau and staff.

Our programmes aim to develop, foster and support positive relationships with families and communities by providing strong values based programmes that support our local communities.

Holiday Programme

Our school holiday programme's offer a range of themed in-house days and off-site adventures, so there is something for everyone.

Please ensure that children are onsite by 8:30am to ensure a smooth start to the day. To see our current holiday programme timetable visit www.ymcawellington.org.nz

Before & After School Care

We believe it's important for before & after school care centres to have a clear and consistent structure each day to provide stability for all kids, parents and staff.

Below is a guide of a typical daily structure. Structures differ between centres to ensure a suitable fit for children and the centre culture.

Before School Care - Centre opens

A variety of free-play and child-centred activities are facilitated by staff.

8.00am- (Whanganui, Palmerston North, Linton Sites)

Children are transported to school

8.25am- (all other sites)

Children are called in for a roll call and get ready to head to class at 8.30am.

After School Care - Centre opens at end of school

Children arrive from class (for sites where the programme is not on school grounds children are collected from school and brought to the centre) and get their name signed off of the roll.

3.30pm - Afternoon tea

4.00pm - Daily activities start

Daily activities run alongside child-led activities and free-play that our staff facilitate. Children decide how they want to spend their afternoon from 4.00pm. Daily activities can include cooking, art, craft, science, cultural activities, sports, drama, dance and more. Staff plan according to the feedback and interests of children on our programmes.

6.00pm

Everyone has been picked up and the centre is clean, tidy and packed away ready for the next day.
